

Application opportunities for Honors College students in the

Scholarship HUB

Awards are available to fund Honors College student experiences throughout the academic year.

Mark your calendar and take advantage of drop-in counseling in-person or virtually for guidance and to answer all types of questions related to Honors.

Honors Experiential Learning Award

Open Each month September - May

The ELA is available to all complete and submitted applications each month of the academic year excluding summer (June-August). Typical awards are \$500. Visit with an Honors counselor to ensure your idea will qualify as an experience for this award.

The Honors College Study Abroad Planning Scholarship

Cycle 1 - Open August, Closes October

Cycle 2 - Open December, Closes February

This award helps support UT San Antonio approved study abroad experiences which require thoughtful advance planning. These are larger awards to help defray the cost of travel abroad.

Honors College General Application

Open October - April 1st

Complete this one application and be considered for many endowed scholarship awards. Some are subject to renewal if requirements are met.

Honors College Research & Internship Opportunity

Open March - May 31st

This award is available for students involved in unpaid internships or research experiences and are enrolled in at least 1 credit hour for the summer. These are larger awards to support work completed in the summer months.

Note:
In order for awards to be applied to your account, you must have room in your cost of attendance. For any questions on your cost of attendance, visit One Stop. For study abroad, your COA can sometimes be increased to allow for an award to be applied.
